Hey John,

I haven't received anything, no. No rush though. I'm not putting any pressure on the regions to submit for this quarter since there's a decent backlog of stories that I can work on.

Peter:

Did you get a story from me (or Laura Williams) about the Red River Supply Warehouse (Region 8)? I know I worked on it, have revised copies.....but don't have a copy of sending it to you with photos.

-thanks
